

# REMARKS

Claims 1-29 were pending in the application. By this amendment, Applicants cancel Claims 1-29 without prejudice and submit new apparatus Claims 30 and 31. Full support for Claim 30 is provided in the original Specification (see: Fig. 2, page 14, line through page 22, line 7).

Entry of the amendments and expeditious prosecution of the application is respectfully requested.

The Examiner is asked to direct any questions to the undersigned attorney.

Respectfully submitted,  
T. Saito, et al
